RE: Docket No. 06-04 WC – Stephen Andrews and John Carpenter Appeal
Request for CRYPTOSPORIDIUM SAMPLING data

Dear Mr. Graham,

It is my understanding that the Town of Salem has recently been engaged in a cryptosporidium testing and monitoring program for both Canobie Lake and Arlington Pond through its consultants, SEA.

Pursuant to Env-C 204.07 (b), please forward the results of any and all tests performed within the past 3 years which may be in the possession of your client, the Town of Salem, their consultants, SEA, or other, as it relates to monitoring and/or testing the waters of Canobie Lake and Arlington Pond for the presence of cryptosporidium. Thank you for your attention to this matter.

Sincerely,

Stephen M. Andrews
